 I am happy with how my child is doing overall. It would be good to have the option for music lessons. A bike shed would be beneficial.  
 All the teachers that we have contact with are very approachable and always have time for us if we have anything to discuss them.  
 Behaviour management, friendly staff building good relationships with children.  
 It would be nice if the children could have homework to review what they have learned in class – maths etc  
 I've ticked don't know for some answers as there is very little daily interaction between me and the teacher  
 I'm not sure how to tell the children when to change their books – A lot of parents tell the children to go back at pick up time.  
 The teacher is great and my child is happy to be in his class.
