Dear Parents/Carers

Junior **Christmas craft activity day** will be held on **Friday 14th December** and you are invited to join us either in the morning (9.00 am to 12.00pm) or the afternoon (1.00pm to 3.15pm) and share the fun with your child!

Please could you return the slip below so we can get an idea of the numbers who may like to attend and think about how to group the children through the day.

Many thanks for your support.
