

An Daras Trust
 Igniting Curiosity Growing Capabilities

An Daras Multi-Academy Trust Academy Improvement Plan 21-22 (Sept 21 – Sept 22)

School: St Catherine's	
Trust Version:	v4 Template
Statutory:	Yes
Approved by LGB:	
Final Review by LGB:	
Advisory Committee:	LGB Trust Board of Directors Trust Teaching, Learning and Achievement Committee
Linked Documents and Policies:	Recovery Schedules, Trust Exception Reports, PPG Provision Map, PE Funding Map, SEF, Core-Stats Benchmarking Reports, Trust Consultant Reports, OFSTED Data, ISDR/ASP Reports, Trust SI Strategy, RSC Trust Improvement Capacity Framework, SIAMs SEF

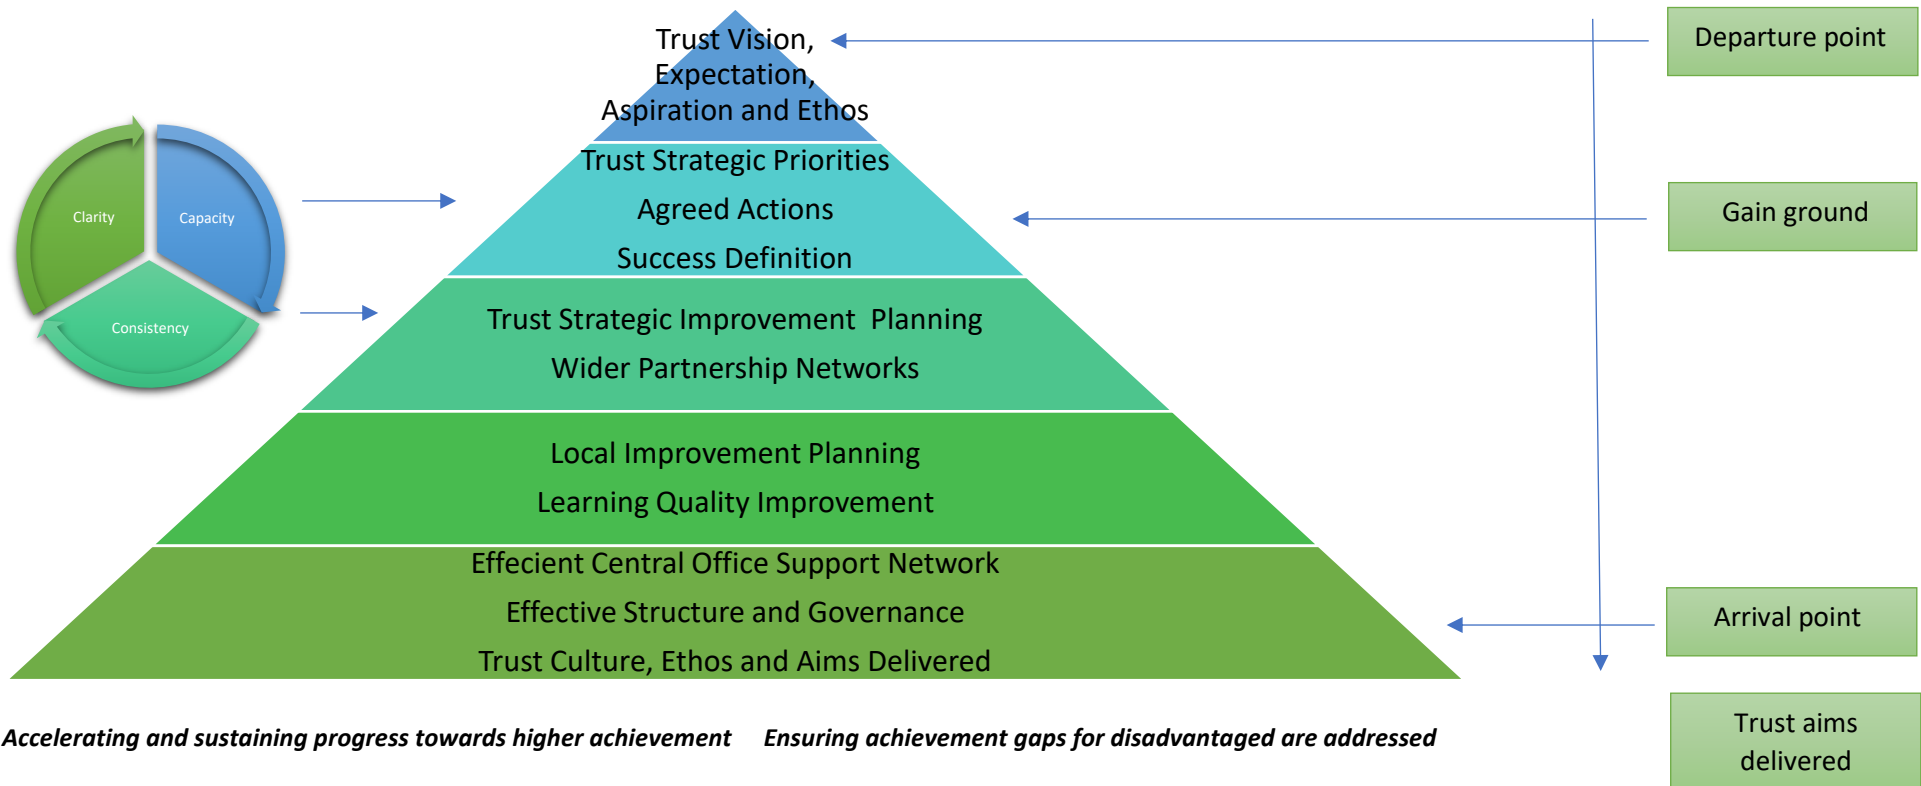

A. Improvement – Trust Model Synopsis

- **Our strategy model** is structured around establishing sustainable improvement “building blocks” of **capacity, consistency and clarity** in school operations delivered through interlinked improvement strategies informed by Trust, local and national school **contexts**. We define these essential building blocks as;
 - ✓ **Capacity** – *the ability to design, deliver and lead change within an agreed strategic vision*
 - ✓ **Consistency** – *the ability to standardise systems, process, protocols and standards to*
 - ✓ **Clarity** – *the rigorous application of school improvement models, CPD programmes and*
 - ✓ **Context** – *the identification of Trust and local priorities which deliver gain and value added for stakeholders*
- This annual AIP document exemplifies the Trust’s approach to delivery of school improvement “building blocks” which lead into five overall Trust prime improvement areas - *Vision and Culture, People and Leadership, Curriculum and Assessment, Teaching and Learning, Governance and Accountability*.
- **Trust self-assessment system** (see Trust Risk Register/Capacity framework Tool) used to risk manage the latest achievement/context of a Trust on an annual basis. Levels of support, resource deployment and challenge will then be decided by the Trust Board. Schools will continue to be reviewed against the following criteria;

Seriously underperforming school	The need is for rescue or recovery: rapid control, arrest of decline, assessment of priorities, firm action, injection of systems and staff, critical decisions and modelling what is needed
School that requires improvement to be judged good	A school requiring reinforcements: building capacity, harnessing good practice and improving that which is not, developing and empowering staff, ensuring consistency, raising aspirations, designing and implementing a strategy for creating a school that is good or better
Good to outstanding	The need for refinement: ensuring that all teaching and learning is good and that an increasingly high proportion is outstanding, refining monitoring and evaluation, ensuring the needs of every pupil are met, growing leaders, reducing achievement gaps and maximising progress and outcomes
Sustaining excellence	A school requiring renewal: not simply sustaining outstanding practice but building on it, innovating, fine tuning and spreading the schools influence more widely

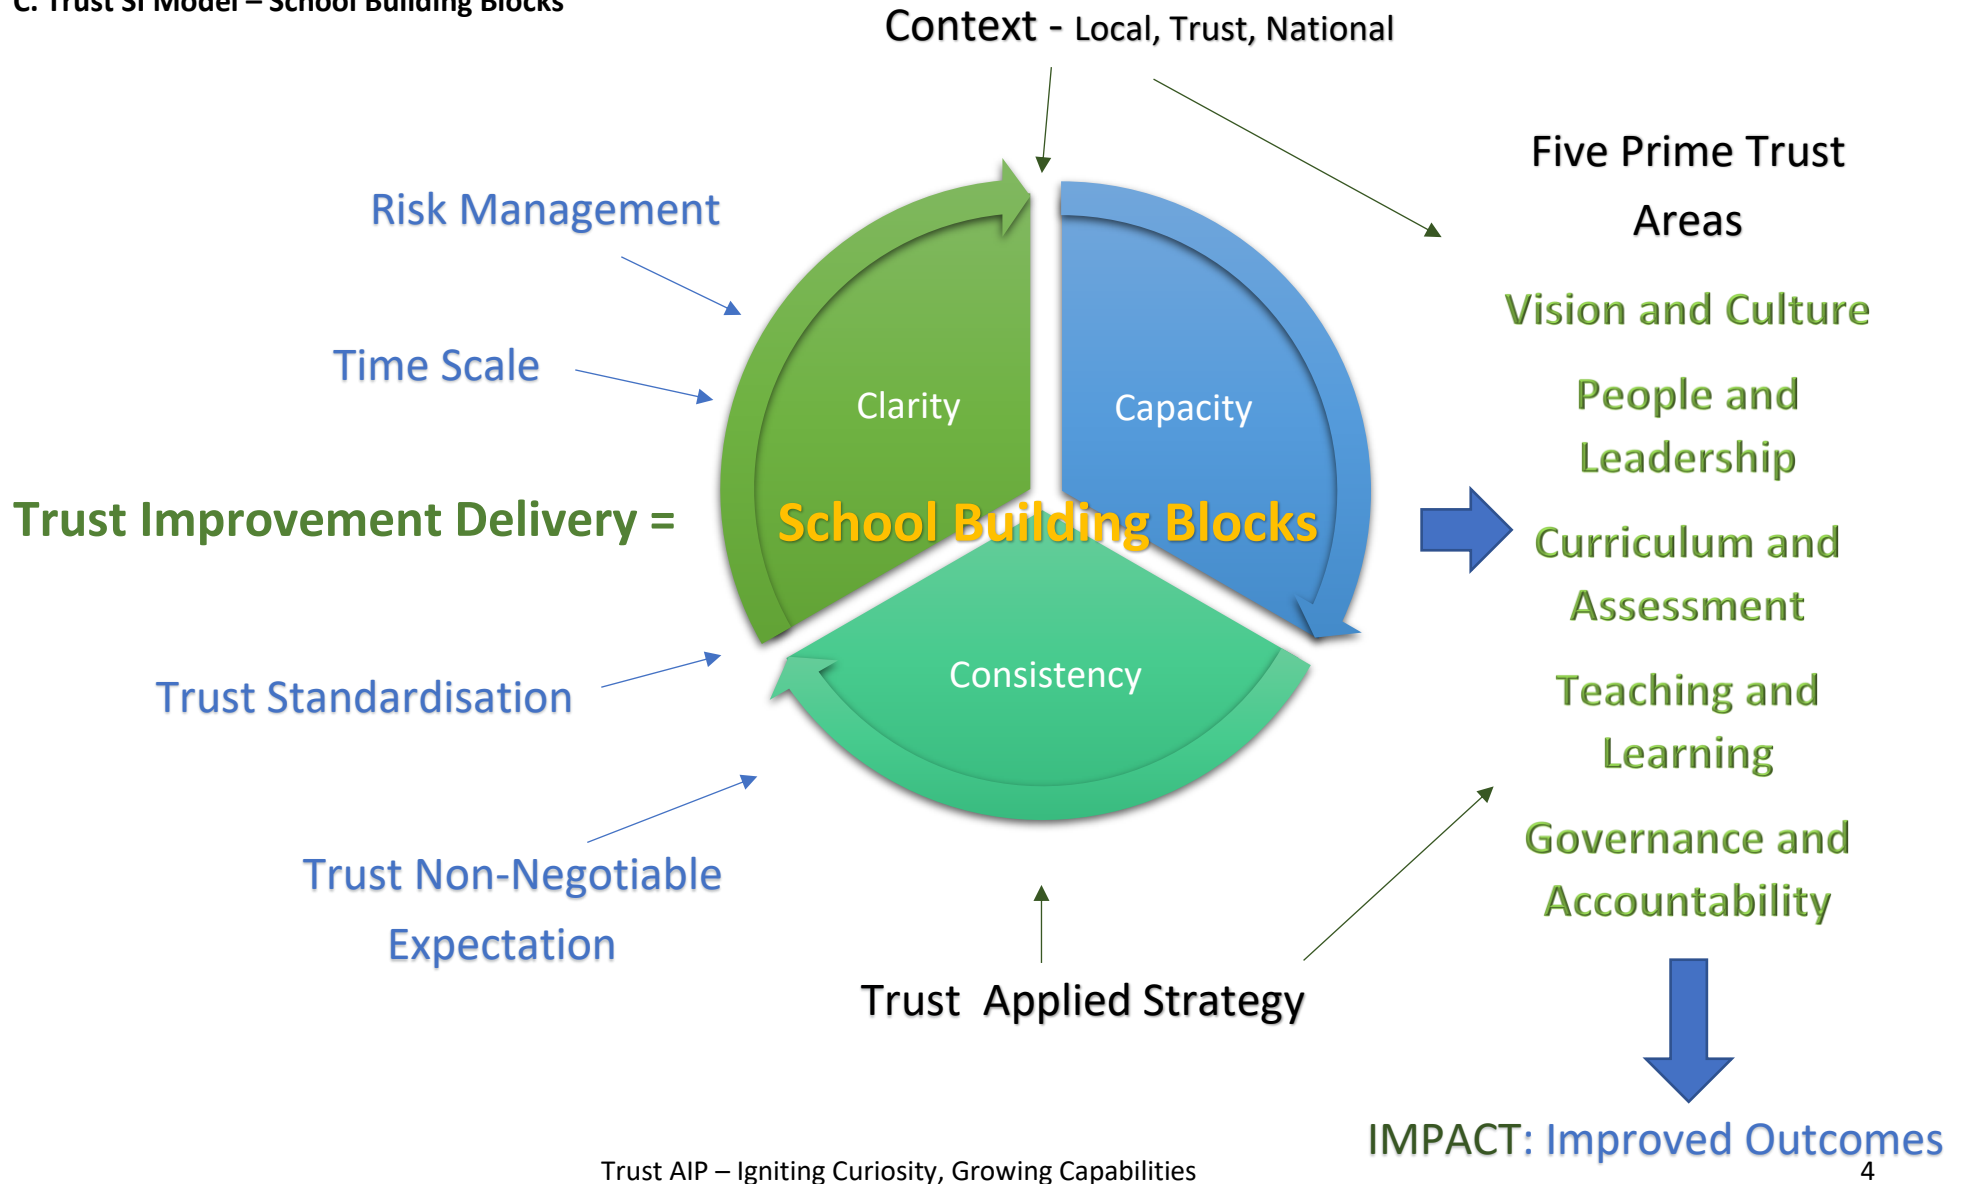

B. Creating Shared Vision, Aspiration and Expectation

- Trust Vision and Mission Statement– *Igniting Curiosity, Growing Capabilities* - **“To grow capability mature children who are positively engaged, compassionate, competent young people conscious of the role they play in society, who are curious about the world around them and their place in it”**
- Trust schools will focus on delivering school improvement programmes closely linked to their local need and the Trust priorities – providing a “departure” point and “arrival” point to measure success and gain. School improvement is always identified with raising the quality of learning and standards. SI needs will be identified by using the full range of Trust self-evaluation tools. The pyramid shows SI implementation strategy;

Ensuring children are equipped for the next phase of learning Creating an enjoyable, creative curriculum that meets learning needs

C. Trust SI Model – School Building Blocks

D. Academy Improvement Plan 21-22 – Improving Outcomes for Children

Trust Improvement Plan Priorities 21-22: (Brackets are categories from RSC Trust Capacity Framework – self review)

1. Improve the quality of learning provision for Year 3 cohort (current Y2 at July 21) in core subjects so they can be back on track to achieve ARE or ARE+ by year end where possible
2. Improve writing achievement at Key Stage 1 particularly for disadvantaged boys in Year 2 (current Y1 at July 21) so that more pupils achieve ARE or ARE+ by year end
3. Improve achievement in core subjects for Year 1 pupils (current Class F/Rec at July 21) by addressing identified learning gaps through appropriate curriculum provision
4. Develop the coherence and effectiveness of the planned Capabilities-led curriculum by improving planning quality, effective self-evaluation, staff training and subject level leadership

Trust Over-arching Vision: *Igniting Curiosity, Growing Capabilities - “To grow capability mature children who are positively engaged, compassionate, competent young people conscious of the role they play in society, who are curious about the world around them and their place in it”*

Context – Key Issues to Investigate from Latest Evidence – RS, ER, OFSTED IDSR, DfE ASP, SEF (Key = Green/no issue, Amber/minor issue, Red/major issue)

<p>Time Frame Key Purple/First 6 months Blue/Second 6 months</p>	<p>School Vision:</p> <p>The An Daras intent for education of their pupils is to develop capability mature children who are positively engaged, compassionate, competent young people conscious of the role they play in society, who are curious about the world around them and their place in it. (“act justly, love constantly, live humbly” Micah 6. V8)</p> <p>At St Catherine’s, we strive to educate our pupils to realise their aspirations and to contribute positively to society guided by our Christian values. With this in mind, we have developed a curriculum to inspire our pupils in contextually relevant ways and prepare them for a future working life. Our curriculum is broad and challenging with a clear progression of knowledge and skills. Our recent Ofsted commented ‘Pupils make good progress as they move up through the school. They are well-prepared for secondary school by the time they leave.’</p> <p>Through the story of ‘The Good Samaritan’ the children learn to be curious about the world, open in their experiences, overcome prejudices, encourage dignity and respect, live well together, celebrate individual differences and encourage kind, hopeful actions – working together towards a hopeful, inclusive world. “Love the Lord your God with all your heart, with all your mind, with all your soul, with all your strength; and love your neighbour as yourself.”</p> <p>Related Trust/School specific documentation: AIP 20 Rolling Record, 20-21 Recovery Schedules, SEF, Trust QA Visit notes, External visit notes, OFSTED IDSR, ASP, Cornwall LA Core-stats data, Devon LA SOAPS, MAT Standard Operating Procedures (SOPs), SIAMs SEF</p>

E. AIP Progress Review Summary – Key Performance Indicators from D.		Review Date:
<i>(full details of progress against each overall priority to be regularly reported to LGB using the Trust Exceptions Report template)</i>		
Priority	Key Performance Indicators (KPI) from AIP – Rolling RAG Review Summary	Current Status
	% of disadvantaged pupils achieving ARE to be increased narrowing the gap with other pupils.	

1. Teaching and Learning Standards - Attainment Recovery focus	Year 3 – raise attainment in writing from 57% to 70%.	
	87% of year 2s to achieve phonics Dec 21.	
	79% of pupils to achieve expected attainment at writing at year 6.	
2. Curriculum and Assessment – Curriculum Gaps and Recovery focus	Monitoring of evidence from a range of resources including TIOs demonstrates that teaching is closely linked to both pupils' current attainment. Knowledge and skill level and that, as pupils catch-up, coverage is age-appropriate.	
	Outcomes from non-core subject assessment demonstrate the majority of pupils achieve national age-related expectations.	
	Over time, subject coverage within each non-core subject returns to the full wider planned curriculum.	
	Pupil quizzes and conferencing demonstrates that pupils have learnt the content taught – learning and remembering more as they progress through the curriculum.	
3. Vision and Culture/ Safeguarding Church Vision	Pupil conferencing demonstrates the vast majority of pupils know the school's vision and ethos.	
	External TIO monitoring demonstrates that there has been a positive impact of VL training on pupils' learning and metacognition abilities.	
	Attendance remains in line with national averages at 96%. PP pupils' attendance is raised by 3%.	
	External monitoring by the Diocese and or SIAMs inspection demonstrates that the school SIAMs SEF is accurate and that the school judgement of being a flourishing (Good) school is accurate.	
4. People and Leadership EYFS – implementation of the new framework	The vast majority of pupils are on track to achieve a GLD at the end of EYFS (target to be made specific when Baseline complete)	
	Monitoring from a range of internal and external evidence demonstrates that teaching enables pupils to achieve the new framework expectations.	
	Staff feedback and performance management demonstrates that training has been effective in ensuring staff subject knowledge, confidence and teaching of the new framework is secure.	
	Evidence in learning journeys and from learning walks and observations demonstrate that pupils have a range of activities broad enough and with enough opportunities to independently achieve the new framework objectives for EYFS.	
Significant context changes since last AIP review:	Significant period of disrupted learning due to 2 Covid-19 Pandemic School Closures resulting in periods of lost learning for pupils.	

F. AIP Monitoring Schedule							
Impact Monitoring Schedule 1		First Month	Second Month	Third Month	Fourth Month	Fifth Month	Sixth Month
LGB	Activity	Data Analysis	SEF and AIP Risk Register	Safeguarding	SEN
