

St Catherine's C of E Pupil Image Consent Form

Dear Parent

There are sometimes occasions when we wish to take photographs or make video recordings of pupils at our School. Sometimes this is for strictly educational purposes and on other occasions it may be for other purposes ancillary to the running of the School (e.g. taking photographs for use in the School's brochure and on the School web site). Similarly, there are occasions when the local press visit our School to record particular School events (e.g. School productions) and they may wish to publish photographs of children in newspapers or use recordings of the children on television when reporting these events.

In order to comply with the Data Protection Act 2018, the School needs your consent before taking photographs or making video recordings of your child for purposes which are not part of its core activities. Full information regarding data protection and GDPR is available on our school website. <http://www.stcatherinescofe.co.uk/index.php/information-parents/gdpr>
